randy ramal argues that philosophy s main responsibility lies in providing intelligibility to the ordinary language of everyday life while dispelling unwarranted skepticism philosophers need to go the hard way to fulfill this responsibility because of the constant and dangerous temptation to turn philosophy into a normative discipline rather than keep it as a descriptively hermeneutical enterprise in on philosophy intelligibility and the ordinary going the bloody hard way the philosophy of alfred north whitehead is central to ramal s endeavor to demonstrate the need to separate the hermeneutical responsibility of philosophy from the normative aspects of responsibility while showing the futility of labeling whitehead as a purely disinterested philosopher who abandons the idea that ordinariness is relevant to good philosophical thinking ramal frames this discussion within a larger in depth engagement with a vast number of thinkers philosophers and literary figures whose works touch on the question of the ordinary

this text is for academics postgraduates and upper level students who want to know more about formal logic the text assumes some elementary knowledge of formal logic it covers the semantics and axiomatics of modern classical formal logic as well as proofs of soundness completeness and both of gödel s theorems there is also a discussion of the pictorial semantics of various logic diagrams euler carroll and venn diagrams karnaugh maps and switching circuits lastly the book covers the reliability of classical formal logic for the evaluation of everyday argumentation and nether logic the logic of the transmission of falsehood

both believers and non believers who are looking for answers to life s hard questions will find this an engaging and thought provoking book which defines each term historical person event or doctrine as it arises rather that relying on a presupposition to prior acquaintance with christian history vocabulary or beliefs

in the past few decades there have been an increasing number of authors and movements that reject the classic protestant understanding of justification e g the new perspective on paul auburn avenue theology the renewal movement etc while the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the father about the believer based on the work of the son in particular among renewal pentecostal charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer s righteousness these attempts are in part rooted in the absence of any overt pneumatology in the doctrine s typical formulation one need only read the above sentences to see that there is no mention of the holy spirit this book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly as a result there is no need to redefine the theology of the reformers and their successors
