reflecting your students and their world how many of the students in your social psychology course are psychology majors business sociology education in the 10th edition of social psychology david myers once again weaves an inviting and compelling narrative that speaks to all of your students regardless of background or intended major through examples and applications as well as marginal quotations from across the breadth of the liberal arts and sciences myers draws students into the field of social psychology at the same time myers is also in tune with the ever changing state of social psychology research boasting over 650 new citations in the 10th edition social psychology is as current as it is captivating research close up and inside story features throughout the book provide deeper exposure to key research and researchers marginal quotations examples and applications throughout each chapter and the concluding applying social psychology chapters all ensure that regardless of your students interests and future plans social psychology will engage them this 10th edition also features the contributions

of Jean Twenge, author of *Generation Me* and *The Narcissism Epidemic*, further bolstering the direct connection to today's students.

The tenth edition of *Social Psychology* continues to integrate classic and current research and present the research in a highly readable and engaging fashion. This classic text retains the hallmark of its own past success: up-to-date coverage of the quickly evolving subject matter, written in a lively manner that has been embraced by hundreds of thousands of students around the world. The fascinating field of social psychology is pertinent to the lives of every reader. All students and lecturers can take something personal from this edition and use it in their own life. A new feature called *Beyond the Headlines* as social psychologists see it take real-life news events and examine it from the field of social psychology. This feature illustrates how the topics can be applied to many aspects of human behaviour. Another new feature, *Ideas to Take with You*, is intended to highlight important concepts at the end of every chapter. These concepts are focussed on because they are worthy and will impact the life of the student long after the course is completed. The biological perspective has been embraced by much of the academic community, and the authors discuss this perspective at nu

For undergraduate-level courses in industrial and organizational psychology, business psychology, personnel psychology, and applied psychology, *Psychology and Work Today* provides an invaluable foundation for anyone entering today's global business and industrial world. This informative, sophisticated, and entertaining text teaches students about the nature of work in modern society by focusing on the practical and applied rather than the scientific ideal. The authors demonstrate how industrial/organizational psychology directly impacts our lives as job applicants, trainees, employees, managers, and consumers.

James Kalat's best-selling *Introduction to Psychology* does far more than cover major theories and studies; it encourages you to question the information and ask yourself how this conclusion was reached and does the evidence really support it. In this student-praised text, Kalat challenges your preconceptions about psychology to help you become a more informed consumer of information, not only during your college experience but also as you venture into your post-college life. With his humorous writing style and hands-on "try it yourself" exercises, Kalat puts you at ease and gets you involved with what you are studying so that you can succeed in your course.

James Kalat's best-selling *Introduction to Psychology* does far more than cover major theories and studies; it encourages you to question the information and ask yourself how this conclusion was reached and does the evidence really support it. In this student-praised text, Kalat challenges your preconceptions about psychology to help you become a more informed consumer of information, not only during your college experience but also as you venture into your post-college life. With his humorous writing style and hands-on "try it yourself" exercises, Kalat puts you at ease and gets you involved with what you are studying so that you can succeed in your course.
